

# Storytelling and art making with University Settlement

Friday September 24<sup>th</sup>, 4 pm to 7 pm

*Join University Settlement as we celebrate our 100<sup>th</sup> year of providing services to the community!*

*University Settlement will host a community event focused on telling **your** story about the organization, the community, and our collective history through creative arts.*

Using a scrapbooking format, University Settlement will photograph you as you enter the workshop and provide a digital photo to you so you can help us create a scrapbook of memories with a page dedicated just to you! Using a variety of art forms, you will have the opportunity to be part of memorializing our history, sharing your memories and experiences, and celebrating this milestone event in University Settlement's, and Toronto's, history.

With approval, participant's scrapbook page will be shown at our 100<sup>th</sup> anniversary celebration in November 2010
